Des aires de jeux naturelles de haute qualité

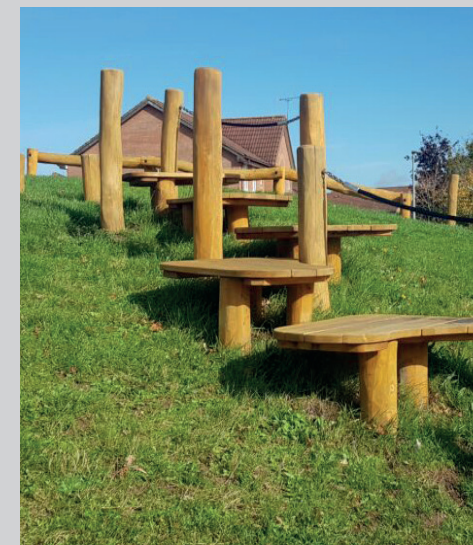

Aires de jeux naturelles de haute qualité

En achetant une aire de jeux chez Guldborg Playgrounds, vous bénéficiez toujours de la meilleure qualité et de la meilleure sécurité. Nous utilisons des matériaux naturels pour une grande partie de notre gamme, garantissant ainsi une longue durée de vie à votre aire de jeux, sans compromis sur la qualité des matériaux.

Nous utilisons des matériaux de qualité tels que le robinier, le douglas, le mélèze et le chêne. En choisissant une aire de jeux en matériaux naturels comme la nôtre, vous avez la garantie d'une longue durée de vie et d'un entretien minimal. Ainsi, petits et grands pourront profiter de nos aires de jeux, de nos espaces extérieurs et de nos produits pendant de nombreuses années.

Equilibre & Escalade - 29 series

La série Guldborg 29 se compose d'une large gamme d'éléments pouvant être utilisés individuellement ou combinés et complétés selon les besoins. L'idée derrière la série 29 est d'offrir une valeur ludique maximale tout en stimulant la motricité des enfants. Cela se reflète dans le choix des matériaux, la taille des modules, les principes d'assemblage et la sélection des éléments.

Maisonnettes & Cabannes

Une large gamme de maisonnettes. La série est fabriquée en bois de Douglas, de mélèze et de robinier. L'extérieur est principalement en mélèze. Les références 5060, 5062 et 5063 sont fabriquées en robinier. Ce type de bois confère aux maisonnettes des caractéristiques courbes et des angles naturels typiques du robinier.

Les jeux à Thèmes

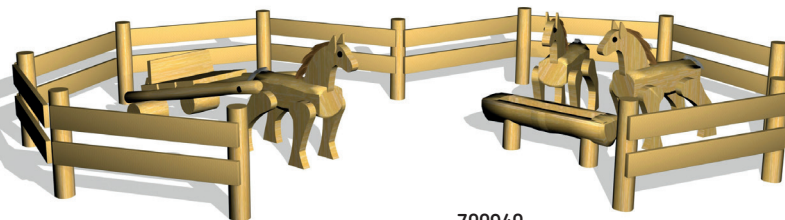

Guldborg propose une large gamme de produits ludiques à thème. Ces produits peuvent être utilisés seuls ou en combinaison avec le reste de la gamme Guldborg. Nous utilisons différentes essences de bois pour la fabrication de nos produits : robinier, chêne et mélèze. Ces équipements de jeu offrent un cadre idéal pour développer l'imagination des enfants. Ils créent un environnement physique où les enfants peuvent interagir et explorer divers jeux de rôle.

Les Multi-Activités

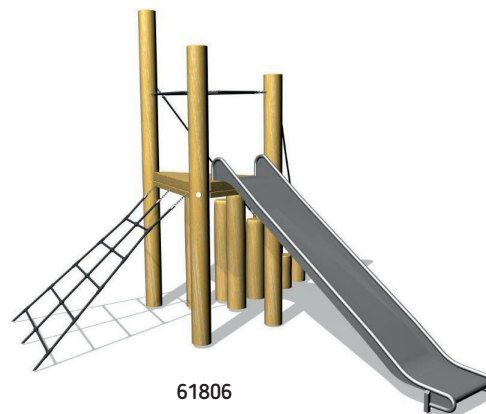

Tours d'activités de différentes tailles pour s'adapter aux enfants de tous âges. Nous proposons des tours allant des petites tours adaptées aux crèches et jardins d'enfants aux très grandes tours idéales pour les écoles et les parcs. Ces tours sont simples et économiques. L'accent est mis sur l'expérience et les activités qui favorisent le développement moteur des enfants. Les tours sont en robinier. Pour les accessoires, nous utilisons de l'acier inoxydable et des composites plastiques. Les cordes sont en taifun avec une âme en acier. Tous les toboggans sont en acier inoxydable.

Parkour

Le parkour est une forme urbaine de libre mouvement et de jeu. Le « jeu » consiste à franchir divers obstacles aléatoires et divers éléments urbains, créant ainsi des possibilités de mouvement libre. Les matériaux utilisés pour la série Parkour sont le robinier, l'acier inoxydable, des sphères et 1/2 sphères en caoutchouc.
